☒ I consent to officers, employees, and authorized representatives of the United States Environmental Protection Agency (EPA) to install and set up air sampling equipment on my property for a limited period of time not to exceed two (2) of consecutive days.

This written permission is given by me voluntarily with knowledge of my right to refuse and without threats or promises of any kind. If my property is selected as an ideal location for the air sampling equipment, I understand that EPA or authorized representatives of EPA will contact me in advance before any sampling equipment is set up or installed on my property. This agreement is only for the purpose of allowing air sampling equipment and no other work.

I also understand that these activities will be conducted at no cost to me.

☐ I do not grant access to my property
